Entrepreneurs with Disabilities Day

October 17, 2025

The Texas of Tomorrow is brought to life by the many entrepreneurs who have built our thriving economy. Our status as an economic powerhouse is made possible due to our reasonable regulations, low taxes, and unparalleled quality of life that supports businesses of every size. We appreciate our innovative entrepreneurs, including those with disabilities, for the impact they make on our daily lives, and we will always offer the support they need to continue building strong businesses.

The Lone Star State is committed to helping entrepreneurs with disabilities access the resources they need to turn their dreams into reality. By reducing the obstacles that these enterprising men and women face, we prove that it is not our challenges that define us, but rather how we overcome them.

First Lady Cecilia Abbott joins me in encouraging all Texans to observe Entrepreneurs with Disabilities Day with appropriate programs and activities.

*In testimony whereof, I have hereunto
signed my name and caused the Seal of the
State of Texas to be affixed at the City of
Austin this the 9th day of September, 2025.*

Greg Abbott
Governor of Texas
