# IT Staff Augmentation Contracts (ITSAC) Portal

# ITSAC Portal - Customer User Guide

Version: 3.0

Chief Procurement Office (CPO) Effective Date: 10/01/2020

### **1.0** SERVICE SOLICITATION REQUEST (SSR) – CUSTOMER

The Customer ITSAC Portal will be used to post Solicitation Requests (either Request for Resumes or Statement of Work Solicitations), review details related to submitted Solicitations, cancel/withdraw the Solicitation, review candidates submitted by Vendors or Vendor SOW Responses, and ultimately Award the Solicitation and mark which candidates or Vendors were hired or selected.

Note: Customers are encouraged to use the ITSAC Portal to help manage the Solicitation process, but may choose to do this process manually via Email.

#### 1.1 Submitting a Request for Resumes Solicitation

1.1.1 Open a web browser and navigate to the DIR website at <u>https://dir.texas.gov/</u>.

*Note:* The ITSAC Portal is optimized for Google Chrome or Mozilla Firefox.

1.1.2 Click on the Sign into My DIR button.

1.1.3 Navigate to the DIR ITSAC Customer Portal link.

1.1.4 Log into the ITSAC Portal with your credentials.

*Note:* Request a temporary password by clicking on the **Forgot your password?** link. If you do not have an account, click on the **Need a Login?** button.

|            | Texas Department of Information Resources |
|------------|---|
|            | ITSAC Login Request Form                  |
| <b>E</b>   | Enter Entity Name                         |
| <b>F</b>   | ull Name                                  |
| â          | inter job title                           |
| <b>)</b> E | inter xxx-xxxx format                     |
| E          | inter email                               |
| САРТСН     | A:<br>I'm not a robot                     |
|            | Submit                                    |

Enter the following information and DIR Staff will review your account request.

*Note:* Multiple accounts per customer are allowed and can be requested through the portal. However, users are restricted to only view solicitations that was posted by their account. If a solicitation owner needs to be transferred to a different user, contact DIR Staff at <u>DIRStaffAugmentation@dir.texas.gov</u>.

1.1.5 Once logged in, submit a new Solicitation Request by clicking on the **Submit New Request for Resumes** link.

#### 1.1.6 New Request for Resumes Solicitation

<u>Solicitation Details</u> - Begin the Solicitation Request by entering the following information. Click **Next** once complete.

*Note:* The Solicitation Reference Number is a unique value that is created and assigned by the Customer for reference throughout the Solicitation process.

# Submit ITSAC Request for Resumes Solicitation

*Note:* Solicitations can have the following statuses:

| Solicitation Status | Description   |
|---------------------|---|
| Draft               | Solicitations that have been created by the Customer but has not<br>been posted and sent to vendors for review. A deadline date has<br>not been set and few edits can be done prior to posting. |

| Solicitation Status     | Description  |
|-------------------------|--|
| Posted                  | Solicitations that have been posted and sent to vendors for review. Vendors can review and submit candidates up until the Deadline Date.   |
| Customer<br>Reviewing   | Solicitations that have passed the Deadline Date. Customer can review all eligible candidates and begin the selection process.   |
| Awarded                 | Solicitations that have been awarded by the customer and candidate(s) have been interviewed and hired.   |
| Cancelled               | Solicitations that have been cancelled by the Customer after the Solicitation has been posted.   |
| Closed – No<br>Response | Solicitations that have been posted and the deadline date has<br>passed but no Candidates have been submitted by Vendors.<br><i>Note:</i> If you wish to re-submit a Solicitation, submit a New<br>Solicitation with the previously used Solicitation Reference ID<br>with a 'R' added to the end. |

Selecting a Solicitation will contain three tabs: **Solicitation, Request Detail,** and **Candidates.** 

1.1.10.1Solicitation – This tab will contain the Word document of the SolicitationRequest. Click Download Solicitation to save a local copy.

*Note:* Once the Solicitation is posted, a list of notified vendors and the corresponding contract number will appear at the bottom of this page.

Changes will be saved on Step 5 when clicking Save Draft.

1.1.10.3 <u>Candidates</u> – Candidates will not be reviewable until the Solicitation has been posted, vendors have submitted candidates, and the Deadline Date has passed.

*Note:* You will be able to view the number of candidates that have been submitted at any time. Use this information to determine whether the solicitation deadline should be extended. This number is not final and can fluctuate at any time.

Note: If changes need to be made to the Deadline Date after posting, navigate to the Solicitation and click on the Extend Deadline button. For any other changes, the Solicitation must be withdrawn or cancelled, then resubmitted. Re-submit quickly using the Clone Solicitation button on any Solicitation.

| Ext      | end Deadline        | Cancel Solicitation               |          |

Descriptions of each column in the Candidates screen.

| Candidate<br>Table Field | Description   |
|--------------------------|---|
| Checkbox                 | Used to select individual candidates to download a subset of candidate resumes.   |
| Comments                 | Contains comments related to the candidate added by the Vendor.<br>Customers can also add comments that will only be displayed to the<br>customer.<br><i>Note</i> : Any comment added can be subject to public information<br>requests. |
| Candidate ID             | Unique ID for the candidate. Click on this link to access more detail on the candidate.   |
| Full Name                | Candidate's Full Name (First + Last Name)   |
| Skills                   | Contains the skills added by the vendor.  |
| Vendor<br>Information    | Contact Information of the vendor that submitted the candidate.   |

| Candidate<br>Table Field | Description   |
|--------------------------|---|
| DIR Contract<br>Number   | Contract number that the vendor is associated with.   |
| Date of<br>Availability  | Date that the candidate is available to begin working.  |
| Availability<br>Status   | <ul> <li><u>Available</u> – Candidate is cleared and available.</li> <li><u>Withdrawn</u> – Candidate was removed by the vendor and no longer available. Resumes will <b>not</b> be available for these candidates.</li> <li>*<u>Underqualified - Years</u> – Candidate did not meet the minimum number of required years as set per the solicitation request.</li> <li><u>*Possible Duplicate</u> – Candidate was possibly added by multiple Vendors and is a potential duplicate.</li> <li><u>Hired</u> – Candidate is marked as Hired by the Customer when Solicitation is awarded.</li> <li>* Note - Although these statuses do not disqualify a Candidate from being reviewed and awarded, the status will inform you as the Customer of a Candidate's viability.</li> </ul> |
| Hourly Rate              | Cost per hour for the candidate.  |
| Resume                   | Hyperlink to download the PDF uploaded for the candidate.   |

1.2.2.1Candidate List - Click on the Candidate List button to download an Excel<br/>spreadsheet of all candidates submitted with detailed information.

- 1.2.2.2 <u>Download Resumes</u> Resumes can be downloaded in a variety of ways:
  - All resumes of available candidates can be downloaded by clicking the All Resumes button (ZIP file containing all available resumes) \*\*Note – If more than 50 candidate resumes are available, multiple zip files will be created.\*\*
  - Select candidate resumes can be downloaded by selecting each candidate in the checkbox column and clicking the Selected Resumes button
  - Clicking individual links for each candidate in the Resume column.
- 1.2.2.3 <u>Vendor Information</u> Click on the **Vendor Information link** to view contact information for the vendor.

| ✓ Contact         | ~ | Phone          | ~ | Email                     | ~ |

## 1.3 Submitting a Statement of Work (SOW) Solicitation

Customers will be able to submit Statement of Works (SOW) to Vendors to propose solutions regarding IT Staff Augmentation Contracts. SOW examples may include staff on retainer over a period of time, a proposal of a team of different titles and positions to address an upcoming project, etc.

1.3.1 Log into the ITSAC Customer Portal. On the banner, click on **Submit Statement of Work.** 

1.3.2 Enter the SOW details then click Next.

| https://dir.texas.gov<br>#DIRisIT  |                                   |   |                   |                                 |                    |                 | -       |

Once the deadline date has passed, check the SOW Response tab to begin review. If more time is desired for Vendor submissions, click on the Extend Deadline button.

At any time, you may Cancel the Solicitation and all eligible Vendors will be notified.

### **1.4** Awarding a Statement of Work (SOW) Solicitation

Once the deadline date for a posted SOW Solicitation has passed, Customers may access the portal to review submissions. Reach out to potential vendors and begin negotiations for Award. Use the Portal to Award the SOW and close the Solicitation.

1.4.1 Once the deadline date has passed at 5:00 PM Central, the Solicitation Status will change to 'Customer Reviewing'.

Click on the Solicitation ID of the Solicitation in the 'Customer Reviewing' Status. This will bring you to the Solicitation Details page.

### **1.5** Cloning a Request for Resumes Solicitation

Any Request for Resumes Solicitation posted in the Portal for RFO 445 may be cloned at any time to expedite the Solicitation process. SOW Solicitations cannot be cloned.

1.5.1 Locate an Open Solicitation (on the Home Page) or a Closed Solicitation (on the View Closed Solicitation Tab) and click on the Solicitation ID.

|   | Open Solicitations  |                      |                   |
|---|---------------------|----------------------|-------------------|
|   | Solicitation ID 🞍 🗸 | Working Title 🗸 🗸    | Status 🗸          |
| 1 | workinghours        | databasenew          | Draft             |
| 2 | WilliamTest030502   | TW                   | Reviewing Resumes |
| 3 | TTest08282020C      | Edit Test 2          | Draft             |
| 4 | TTest08252020       | Undefined to Defined | Draft             |
| 5 | TTest08242020       | Test SOW Title       | Draft             |
| 6 | TTest08182020B      | Test Title           | Draft             |
| 7 | TTest08172020C      | Test Title           | Draft             |

Note: Any open Solicitation, regardless of status, may be Cloned. Only closed solicitations posted under RFO 445 may be cloned.

1.5.2 The clone link can be accessed on the Solicitation page.

Note: The link (depending on Solicitation status) can be accessed through a Down arrow or may be presented as a button.

Click on the Clone link to begin.

1.5.3 The clone link can be accessed on the Solicitation page.

All details from the cloned Solicitation will be presented and can be edited. You must provide a new Solicitation Reference number.

1.5.4 Once you have completed all the steps, click **Save Draft** and the Solicitation will be saved in Draft status. You may then review and either Withdraw the draft Solicitation or begin the Post process.

|                 | Clone Solicitatio  | on     |
